

BLACK DOG IS “GROWING”

- Black Dog partners with Cerionx™ to offer the TipCharger™ system to FLIPR® customers. The TipCharger™ offers superior tip cleaning and has been proven to significantly improve the throughput and performance of the FLIPR® system.
- Black Dog partners with Medizin-und Pharmatechnik™, a European service provider, to offer Global support to FLIPR® customers.
- Black Dog partners with Porpoiseful Solutions™ to offer customers FLIPR® Technical Support and Training.
- Black Dog partners with nAscent BioSciences™ to offer Pocket Tip's™ nanoliter dispensing to FLIPR® customers.
- Black Dog initiates construction plans for a facility to repair Skatron Embla Washers® and other instrumentation. We plan to offer our customers very quick and comprehensive support.
- Black Dog begins the SALES and LEASING of reconditioned FLIPR®s. Each FLIPR® will be thoroughly inspected and reconditioned, with the Pipettors, Cameras, and Lasers receiving complete service and certification from the

manufacturers. Each FLIPR® that is sold or leased will be installed with a complete one-year warranty from Black Dog.

- Black Dog engineers the integration of a 1536 Pipettor into the FLIPR®.
